Love Story

In order to raise awareness about Alzheimer's disease, Dominion employees and residents attend Alzheimer's Tennessee's annual "Light the way Walk." The walk took place at Founder's Park in Johnson City. Although the weather was not ideal, many supporters still attended the event to raise money so that Alzheimer's Tennessee can continue to fulfill their mission: "To serve those facing Alzheimer's disease and related dementias, to promote brain health through education, and to champion global prevention and treatment efforts." Not only did we have a large group of staff members who attended the walk, but back at Dominion residents came together to walk the halls supporting the cause and vision of a world without Alzheimer's. We are so blessed to have such a wonderful team who is dedicated to helping spread the word, not just for those who are suffering or have suffered, but for those working as a society to figure out the cause and treatment of an awful disease.
