Thanksgiving With Friends & Family

Last month we had the privilege of hosting the friends and family of our residents to celebrate thanksgiving. Our dining service's team worked hard in preparation for a turkey and ham dinner with all the fixings. Together we all took time out of our busy schedules to come and celebrate one another. As the room filled with many bright faces, the chatter and laughter began bursting through the air as they reminisced of the old days and discussed what was new in life. That night was so special to all of us in helping us to stop and remember what is truly important in life: family and friends.

"We Give Thanks"

"Our Father in Heaven, We give thanks for the pleasure of gathering together for this occasion.

We give thanks for this food prepared by loving hands. We give thanks for life, the freedom to enjoy. And all other blessings. As we partake of this food, We pray for strength & health to carry on and try to live as You would have us. This we ask in the name of Christ, Our Heavenly Father. Amen"

Roy, Dorothy, & The Scarecrow O' My!

During our Trunk or Treat this Fall, we had several residents excited about having kids come all dressed up to get candy. Roy, however, was most excited of all. He came out to our trunk and helped Dorothy and the Scarecrow pass out candy to our trick or treaters. He would gently lay the candy in their bags or pumpkins to make sure each person had a piece of candy. He laughed so hard that he cried this night! He loved being a part of an old tradition of trick or treat. Though, for us, it was a cold and long night, to Roy it was a very special evening full of many different characters.
